

## ~ Helpful Forum Participation Tips ~

- Follow directions to "Sign Up" by establishing your username and password.
- Sign In to participate.
- When signing in, after filling out your PROFILE in order to fully communicate with others and participate on the FORUM, please follow the instructions below:
- Click on "Start Discussion" (upper right) at <http://www.epi4dogs.com/apps/forums/>
- Discussion **Topic Suggestion:** Best way to start and title a topic when you first join EPI FORUM is with your "dog's name, and possible current issue" ... that way you can keep all your information about your individual dog in one place... and post future updates or future issues all in the same post so that there is a running history of your particular case.
- Scroll to the bottom of a topic to see the most recent post- if there are a lot of posts...you may have to scroll down and then go to the next page.
- **Photos** can be included in your post, first store your photos on PhotoBucket <http://photobucket.com/>
- and then copy the Direct URL Link and pastes in the Reply "blue-box".
- For "visual" instructions on how to load pictures in your Post or Profile, please go to the Downloads page <http://www.epi4dogs.com/downloads.htm> and click on the PDF "*Steps to take to insert a photo in your post.pdf*" <http://www.epi4dogs.com/PDF%20Files/Steps%20to%20take%20to%20insert%20a%20photo%20in%20your%20post.pdf>
- **If anyone has leftover enzymes for whatever reason** - - please contact me privately at [olesia.kennedy@gmail.com](mailto:olesia.kennedy@gmail.com) as there are many people that are currently struggling with unforeseen hardships and can greatly benefit from your generosity.
- **If / When the epi4dogs website/Forum is down... and you need immediate assistance, please go to our epi4dogs.com Facebook page:** <https://www.facebook.com/pages/epi4dogscm/424586920926094>
- **To access our FILES section** you must be at the EPI FORUM homepage <http://www.epi4dogs.com/apps/forums/>  
Scroll down to the "Search" box on the left side of the page.  
Directly across on the right side, you'll notice "View: Normal / Recent"  
Select "Normal"  
At the "Welcome" section you'll see "General Discussion" and "FILES"  
Select "FILES"  
Select any FILE that interests you.
- Epi4dogs has now partnered with K9-EPIglobal <https://groups.yahoo.com/neo/groups/k9-EPIGLOBAL/info> to better serve EPI pets, help their owners and share all suggestion information with vets and the veterinarian community.
- If you are dealing with EPI + concurrent IBD, the IBD support group is <https://groups.yahoo.com/neo/groups/IBDogs/info>
- If you are dealing with EPI + Diabetes... please check out <http://www.k9diabetes.com/>
- If you are from New Zealand and you would like some help with your EPI pet, whether it be for some personalized management guidance or help learning where in New Zealand to purchase products needed to manage EPI ...please feel free to contact Denise Z. on her cell phone 0274 581 428. Denise is well respected in the EPI community and has vast knowledge of how to properly manage the health of an EPI dog. She is also one of the founders of the EPI yahoo group, k9-Global.
- The Epi4Dogs FORUM does NOT send notifications to your email that someone has responded to your post- -to participate on the FORUM, you need to log on.
- To Purchase EPI materials please visit our "PRODUCTS" page <http://www.epi4dogs.com/epiproducts.htm>
